There will be NO FLU SHOTS at the 2018 Retiree Appreciation Day.

We all can take action to help prevent suicide, but many people don't know what they can do to support the Veteran or Service member in their life who is going through a difficult time. A simple act of kindness can help someone feel less alone. Suicide prevention can start with one simple act of support: Be There.

Veterans, Service members, and their loved ones can call 1-800-273-8255 and Press 1, send a text message to 838255, or chat online to receive free, confidential support 24 hours a day, 7 days a week, 365 days a year, even if they are not registered with VA or enrolled in VA health care.

Since its launch in 2007, the Veterans Crisis Line has answered nearly 2.8 million calls and initiated the dispatch of emergency services to callers in crisis nearly 74,000 times. The Veterans Crisis Line anonymous online chat service, added in 2009, has engaged in more than 332,000 chats. In November 2011, the Veterans Crisis Line introduced a text-messaging service to provide another way for Veterans to connect with confidential, round-the-clock support, and since then has responded to more than 67,000 texts.

Don't forget to Visit Army Echoes and MyPay for changes and updates to Retiree issues.

Keeping in Contact with Retirees: Retiree and Annuitant Email Addresses

In the third quarter of the calendar year, between July and September, DFAS plans to launch an initiative to collect members' email addresses. They are making a tool available online for members to update their email address, and urging both retirees and annuitants to make sure they have an email address on file with them. This information will make it easier for the retiree community to access and update their **myPay** accounts, and it will free up the Call Center to focus on members who are unable to manage their accounts through self-service.

Establishing New Annuity Accounts

After a retired member dies, DFAS should receive a notification of the retired member's death through our Customer Care Center, Fas Forms (<http://www.dfas.mil/dfas/retiredmilitary/forms.html>), the Defense Manpower Data Center-(DMDC) or the postal mail. After the notice of death is recorded by our Casualty department, an Annuity Application Packets is sent out to the annuitant.

The annuitant must complete and send the packet to Defense Finance and Accounting Service U.S. Military Annuitant Pay: 8899 E.56th Street Indianapolis, IN 46249-1300

The Annuity department has **30 days** from the scan date to process the Annuity Packet. An annuity will not be established until all required documents are provided to make the packet complete.

A complete Annuity Application Packet should have the following documents:

- Verification for Survivors Annuity (DD FM 2656-7)
- Withholding Certificate for Pension or Annuity (W-4P and or W-8Ben when the annuitant is living in a foreign country)
- Direct Deposit Enrollment Form (SF 1199A) or International Direct Deposit Enrollment Form (SF 1199-I)
- Child Annuitant's School Certification (DD FM 2788) (for child annuitants approaching 18 years of age and older)
- Custodianship Certification (DD FM 2790), required annuitants under the age of 18 (if applicable)
- Physician Certification (DD FM 2828), for incapacitated child annuitants (if applicable); the forms can be found at <http://www.dfas.mil/dfas/retiredmilitary/forms.html>
- These forms are available at: <http://www.dfas.mil/retiredmilitary/survivors/Retiree-death/sbp.html>

NOTE: For assistance contact the DFAS at 1-800-321-1080.

Part 2

UPON THE DEATH OF YOUR VETERAN

(Funeral Section - for Death Certificate, Obituary, Eulogy)

***Note-These actions will be assisted by your chosen Funeral Home/Director**

To be done immediately:

Encourage delay in social media posting until after this step

Call 911 If death occurs at home. (The Police will assist with notifications)

Select and/or notify the Funeral Home (*If pre-arranged, most decisions will have been made, just call their contact Phone # _____)

If your Veteran is an Organ Donor ensure the Mortuary is informed, if the Veteran has passed in a hospital or at home with Hospice, ensure they are aware of "organ donor" status

Make immediate family and close friend notifications; let others help you (**Use call tree**);

To be done next day : (With Funeral Director assistance & Completed PART 1):

Remember that the VA does "NOT" cover all costs of a veteran's funeral. (Plot, Vault, Opening/closing and Flag.) Details and pricing options will be provided by the chosen Funeral Director and/or www.cem.va.gov/.

Establish contact with chosen Funeral Home, meet with Director and Focus on the funeral/memorial service, dates and times, financials. (Take someone you trust with you to help with decision making. Decide in advance the maximum amount you can spend)

If military cemetery is desired, the Funeral Director will help. The US Department of Veterans Affairs National Cemetery Administration website has a listing by state with contact information.

<http://www.cem.va.gov/cems/nchp/alabama.asp> or call: 1 (800) 827-1000 (Recent change: Pre-eligibility of grave sites **IS NOW** allowed, also note, a spouse can be buried in a National Cemetery)

Start several "to do" and thought lists. A "last wishes" list. Are there things that your loved one would have liked or preferred? Write it down.

If you have ties to another geographical area or home town, consider posting obituary there as well. Watch the cost of the obituary, it can add up quickly.

If there will be an open casket, select what your Veteran will wear. If it is a uniform, seek help from another Veteran or Veterans Organization to ensure that it is properly displayed. If you want anything else placed in the casket, such as a cross or rosary, ensure that it, along with clothes are delivered to the Funeral Home as soon as practical.

Part 2 Continued:

The degree of military honors afforded an Active/Retiree/Veteran vary. The Funeral Director will be able to help. Other resources include the Casualty Assistance Office on your nearest Base, Military OneSource <http://www.militaryonesource.mil/family-and-relationships/casualty-assistance-and-surviving-loss> or contact the Military Cemetery Administration at <http://www.cem.va.gov/> or 1 (800) 827-1000.

Consider requesting the presence of Patriot Guard Riders, American Legion, or VFW. These are dedicated group of Veterans and volunteers who will provide a military presence at Veteran and Military Services. Support can be requested on their website at: <https://www.patriotguard.org/content.php>

Within a Few Days: Important notifications/Contacts:

Follow-on Actions Part 3

Within a Few Weeks:

Consider both ID Theft and Social Media. Notifications can be made to Credit Reporting agencies such as TransUnion or Experian for a death to prevent ID theft. Social Media Sites you should close accounts and reopen a new if desired or as a minimum change the passwords as soon as possible.

The Funeral Director will order Certified Death Certificates. Order 6 to 10 copies for financial and insurance companies. Many organizations require “certified copies” (with raised seal), but some will accept scanned images.

Notify all life insurance companies. Research to see if there are small “add on” policies that might be associated with such things as Credit Union membership, bank accounts, or through your employer.

Notify home insurance company. Notify auto insurance company

Notify your banking and your mortgage holder institutions. They will require a copy of the death certificate to make changes to joint accounts.

Request new debit card (if you use one) and delete all others once it arrives. (Note: This will force service providers to contact you to continue charging to automatic payment accounts)

Notify creditors including credit card issuers. **Caution:** if the card/account is only in the Veterans name, some companies will immediately turn off the card and you will not have access to the services. If you need the card, delay the notification until you can establish one in your own name.

Decide whether a lawyer will be required to assist with probate or estate handling. While expensive, getting good legal advice can be invaluable during this critical time. If retired military, On-Post Legal Office may be able to help or refer.

If you have home security system, notify provider.

Cancel email and website accounts, if possible. If not, they will just become inactive over time. Change the passwords for major accounts like Amazon, Apple, etc., even if they are in your name alone.

If you have had a joint checking account, consider whether you want to add someone you trust onto the account in case of emergency. Make this decision carefully. Death Certificate will be needed.

Review your wills and/or trusts to reflect your new status and desires (May not be required)

What's happening?

The TRICARE Retiree Dental Program (TRDP) will end on December 31,

2018. TRDP enrollees will have an opportunity to enroll in the Federal Employees Dental and Vision Insurance Program (FEDVIP), with coverage effective January 1, 2019. FEDVIP offers benefits similar to the TRDP and a choice of carriers and plan options. You'll have the ability to select from a

number of nationwide/international and regional dental carriers, including Delta Dental. Delta Dental has proudly served the TRDP military retiree community for the last 20 years.

When do I need to take action?

To avoid any disruption in coverage, you'll need to select a new plan during the Federal Benefits Open Season, which runs from November 12, 2018, through December 10, 2018, for coverage effective January 1, 2019. There is nothing you need to do to disenroll from the TRDP, as that will happen automatically at year's end.

Why choose a Delta Dental FEDVIP plan?

We make it easy to take care of your oral health with great benefits, affordable rates, and a large network of dentists nationwide. The same Delta Dental team you have known and trusted for your TRDP dental coverage also supports our FEDVIP plans.

In FEDVIP, Delta Dental offers a choice between two great plans to meet your needs.

- The Standard Plan option offers quality care at a low premium and a per person in-network maximum of \$1,500.
- The High Plan option offers greater coverage and an increased per person in-network maximum of \$30,000.
- The odds are your dentist is already in-network! Check our FEDVIP dentist directory to find out. Visit providers4you.com/fedvip.
- Preventive care is critical to your overall health and shouldn't cost you anything. That's why it's 100% covered under Delta Dental's FEDVIP plans when you visit an in-network dentist.

How do I select a new FEDVIP plan?

The first opportunity you'll have to enroll in a FEDVIP dental plan is during this year's Federal Benefits Open Season, which runs from November 12, 2018, through December 10, 2018, with coverage effective January 1, 2019. To prepare for Open Season, visit TRICARE.benefeds.com. Here you can find information to research plans, sign up for alerts and reminders, and learn more about FEDVIP.

You'll be able to enroll online or by phone through BENEFEDES, which is the government-authorized and U.S. Office of Personnel Management (OPM)-sponsored enrollment portal. BENEFEDES also manages the billing systems and customer service functions necessary for FEDVIP enrollment and the collection of FEDVIP premiums.

An Honor Walk For Our Fallen, Those Still Serving Valiantly and Recognizing Suicide Prevention Month

What: A Ceremonial Healing Walk

Where: MWR Activity Field 0800 – 1200

Why: The community wishes to acknowledge and witness the lives of those who served and those who still serve and recognize Suicide Prevention Month.

Soldier for Life - Retiree Appreciation Days:

Army Community Services in partnership with Turning Point Group is honored to present with Team Redstone an Honor Walk: Recognizing and Honoring our Fallen and the Living Still Serving Valiantly as well as recognizing the pain of suicide related to military service.

Friday, 21 September 2018 MWR Activity Field

This innovative experience of honoring will change you in ways unexpected. We cordially invite you to experience the freeing honor of commending other Brothers and Sisters to their Heroic Warrior hood while holding up those continuing in Service and those who contemplate suicide as a result of their service.

An Honor Walk has three phases:

RELEASE

From the entrance to the Center is the path of letting go. This part of the walk recognizes the weight of carrying the memory of the Fallen and the hope of healing when we release them to hands larger than our own. The path invites the release of anxiety and concerns, a letting go of griefs. Large stones at the mouth of the path represent the weight of what we carry and may need to release. Take a stone(s) and when you are ready, RELEASE it by placing it down on the path or at the Center, never to pick it up again. It is a ritual for RELEASE. You may write the name of the Fallen you wish to honor on a card and carry it with you.

RECEIVE

There is a bowl of water at the Center. Perhaps you will dip your hands in it and feel the clean refreshment of new possibility. If you have completed an 'In Memoriam,' card, leave it by the bowl or along the lines of the path and honor the Fallen in your heart.

RESTORE

We return from the Center to be a source of blessing to others. We have let go of soul weight and are now freer to share with everyone else and live our lives more fully.

What is the Redstone Arsenal Military Retiree Council or MRC?

Did you know every Army Installation has its own Retiree Council? It is one of the only volunteer organizations chartered by HQDA, and outlined in Army Regulation (AR) 600-8-7. Our Redstone and Southeast Region council is called the Redstone Military Retiree Council or MRC.

The AR addresses specific requirements but primarily we:

- ♦ *Assist the RSO in planning and execution of the Retiree Appreciation –Soldier for life Day Events.*
- ♦ *Provide Garrison Commander and Chief of Staff, Army insight into Army vital issues, programs, and initiatives.*
- ♦ *Provide retired community an opportunity to provide input to decisions, policies, and laws affecting the retired community.*
- ♦ *Institute programs to create a strong communication link between the Active Army and retired community.*

We are always looking for new members willing to help bridge our Garrison and Retired Community! Become an ‘Army Strong’ advocate in promoting a positive influence. Please fill out the form below and email it to Eria Kincaid and Jarvis Kincaid.

MRC, RAD Website! We are also happy to inform you of our site on the Team Redstone Website. You can get there many ways but www.garrison.redstone.army.mil is the web address; then select *Support & Services* and then click on the *Retirees and Veterans site* and you are there!
