March 2019

Dear Tennessee Valley Community Supporter,

I am the President of the Huntsville Chapter, Military Officers Association of America (MOAA), which is comprised of active duty, reserve and National Guard, former and retired military officers from all services. Our Chapter goals include recognizing the top ROTC / JROTC cadets at area high schools and colleges, providing scholarship funds to area college / college-bound students, and participating in community events such as a Memorial Day wreath-laying ceremony, a summer BBQ at the Tut Fann Veterans Home, and Veterans Day / Heroes' Week activities.

Our Chapter conducts a golf tournament each Fall to raise funds for our scholarship program. This year, our 8th annual tournament will be held on Friday, September 20, 2019, at The Links at Redstone - along with the Redstone Arsenal Retiree Appreciation Day. We are an all-volunteer not-for-profit organization that is tax exempt (EIN 23-7388598) and tax deductible under IRS provision 501(c)(19). We are seeking tournament and "Hole" sponsors at various levels as described on our sponsorship flyer, as well as donations that can be given away as prizes or auctioned off at our tournament. 100% of the net from the tournament goes to our scholarship fund, and the majority of the funds raised result from sponsorships and the generous donations of area companies such as yours. Most of all, donations allow us to keep the cost of the tournament as low as possible to maximize participation by veterans and retirees. All sponsors and donors are recognized in the tournament brochure and on our chapter website - see the sponsorship flyer for details.

We hope you agree to support our scholarship program through this venue. Please contact me (256-776-6901; rickw675@att.net) or our Golf Tournament Chairman, Bruce Robinson (256-426-0525; brucer76@knology.net) should you have any questions. You can also visit our website at huntsvillemoaa.org.

Sincerely,
